

Team Galaxis at the Carolo-Cup 2015

This year's Carolo-Cup took place from February 7th to February 10th, 2015 in Braunschweig. The Chair of Computer Science 11 and the Institut für Kraftfahrzeuge Aachen supported the Team GalaXIs, which achieved a solid 5th place. In addition to that, the team scored with an outstanding first place in the static disciplines. We congratulate the five members of the team and look forward to the next Carolo-Cup 2016.
