Email: [oprea\[at\]embedded\[dot\]rwth-aachen\[dot\]de](mailto:oprea[at]embedded[dot]rwth-aachen[dot]de)

Address: Ahornstr. 55, 52074 Aachen, Germany
Office: 2321

Research

My research interests include the development of algorithms and models for the ventilation of neonates. Data-based methods are herewith implemented to simulate the breathing system and to detect complications during the process of mechanical ventilation.

Office hours

By appointment

Teaching

Semester	Titel	Art
SoSe 22	Functional Safety and System Dependability	VL
	Seminar: Ausgesuchte Themen zur Eingebetteten Software	S
	Proseminar: Grundlagen eingebetteter Systeme	S
