

Dipl.-Inform. Jianmin Li

Research Assistant

`jianmin[dot]li[at]embedded[dot]rwth-aachen[dot]de`

Phone +49 241 80 21163

Fax +49 241 80 22150

Address: Ahornstr. 55, 52074 Aachen

Office: room 2322 (building H)

Research Interests

- Software Architecture Design for distributed systems
- Design-By-Contract in Java to specify hardware/software-platform characteristics in embedded systems
- Java and Java Virtual Machine for embedded real time systems
- Component-based Software Engineering in embedded systems
 - OSGi framework for real-time and resource-constrained systems
 - Distributed OSGi
