

Open House Night

On 16.06.2009, the Chair of Computer Science 11 will open its gates to visitors on an Open House Night. All students of computer science and adjacent course of studies are invited to use this occasion to get an overview of research at our institute. Moreover, there will be food and drinks for free!

The Open House Night will begin at 17:30. Location will be the Center of Computer Science, Ahornstraße 55, Old Building, 3. storey. 

An official announcement as well as an overview of past events of this type can be found on [this page](#).
